Rachel Schultz - Evansville, IN

For his kindness and his love of card games, Karl has become known as our **KING OF HEARTS.**

Karl was a student at Ball State University in 2004. He provided a ride home for three strangers who returned his favor by robbing him and murdering him. This scholarship rewards those Ball State Miller College of Business students who demonstrate Good Samaritan values.

Scholarship application may be at Ball State website under Miller School of Business scholarships starting mid January.
